

# UNC Wellness Centers Patient/ Member/Guest Screening

UNC Health is committed to patient-centered, safe care throughout our hospitals and clinics. All patients, members and guest will be screened upon arrival.

## Patient/Member/Guest

### 1. Have you tested positive for COVID in the last 21 days?

- **No** = move to question 2
- **Yes** = Ask how many days ago, and follow this table:

IF...	THEN...
<10 Days	<u>Outpatient</u> cannot be seen except in Special Airborne Contact PPE. Follow yellow box below.
11-21 Days	Ask <i>Have you been told by the Health Department or your health care provider that you no longer need to isolate?</i> <ul style="list-style-type: none"> <li>• <b>Yes</b> = Mask, then allow entry</li> <li>• <b>No</b> = <u>Outpatient</u> cannot be seen except in Special Airborne Contact PPE. Follow yellow box below.</li> </ul>

### 2. Have you had close contact\* with someone with confirmed COVID in the last 14 days?

- **No** = move to question 3
- **Yes** = Outpatient cannot be seen except in Special Airborne Contact PPE. Follow yellow box below.

### 3. Are you currently experiencing any of the following symptoms that are new or worsening?

- Fever or Feeling Feverish    ▪ Shaking with Chills    ▪ Sore Throat    ▪ Cough
  - Shortness of Breath    ▪ Loss of Taste or Smell    ▪ Vomiting or Diarrhea
- **No** = Mask, then allow entry
  - **Yes** = Outpatient cannot be seen except in Special Airborne Contact PPE. Follow yellow box below

### If **PATIENT/Member/Guest** does not pass screening:

- Confirm mobile phone number
- Ask patient/Member/Guest to step aside or return to vehicle
- Contact Facility Ops who will call patient/Member/Guest with next steps (virtual care, reschedule, or activate COVID + Pathway)

\*close contact = within 6 feet for >15 minutes over 24 hours

\*\*If not possible for companion who fails screening to leave (Parent of Minor, etc.)

**Mask and Isolate.**
