

UNC WELLNESS CENTERS

RULES FOR RECEIVING MASSAGE THERAPY

Client Name: _____

Date: _____

In order to provide our UNC Wellness Centers massage therapy clients with the best care and to safeguard our clients and our staff, the following rules will be put into place until further notice:

- The client will check-in at the front desk to complete an intake form
- Clients not fully vaccinated will continue to wear a mask throughout the appointment.
- Mask and eye protection to be worn by the therapist for the full duration of the massage
- The client and therapist will wash their hands in the room before and after the session
- The therapist will wear a clean apron over their uniform for each session
- All linens will be removed and all protective barriers of tables will be disinfected by the therapist after each session
- The massage table will have a complete set of clean linens for each session
- The therapist will disinfect surfaces (counters, door handles, chair, etc.) in the room after each session
- Massage therapy may result in an elevated risk of transmission of any communicable disease, including COVID-19.

I agree to follow the safe practices as delineated above. By signing this document, the client acknowledges rules have been reviewed.
